## Summary

Hello everyone!!! Welcome to my profile. My name is Vidhansi Upadhyay. I am a first year B.Tech student of branch CSE(AIML) at KIET Group Of Institutions. The reason behind to choose this brach is that I have interest in AI and Machine learning. I am beginner in python. I am also learning C/C++ language for DSA. I like to learn and explore new things and have habit of problem solving.

## Education

2024 - 2025

- **Maharshi Vidya Mandir**  
Passed • 12  
Percentage - 95%

## Certification

## Skills

- Problem Solving
